El Cathy.

2057069634

As Jon Tab has mentioned to you already, PMI has liked our Fausto Automation proposal. As this project unfolds, I hope my management will allow me to continue to play a leadership role in the development of this system.

My plans have changed and I will now be in NY today and tomorrow morning. Therefore, you can E-mail any revisions that you may have to me in NY.

Thanks alot.
Marc
